

## JOIN A FAMILY, NOT A COMPANY

WE'RE A FAMILY DINER AND PROUD OF EVERYTHING THAT MEANS.

Denny's is America's diner. For over 60 years, our guests have come to our diners to sit back, relax and enjoy delicious, hearty meals 24/7, every day of the year. Our employees are part of a classic, national brand and just like our guests, are family both inside and outside the diner. At Denny's we love to feed people and that means providing meaningful work for our employees that allows them to be fulfilled, realizing that what they do and who they are matter.

In short, our family matters to us.
